BESEROVIA is sometimes the home of the EREHWON press game, on such occasions when the latter is delayed. It is sent to the players, the hobby Archivist, and the BNC. This is Alcala Publication #625, edited and published by Walk, "Alc", 1273 Creds, Enky CA 92024 (in case you are wondering, I have written the address in Newyorkese).

EREHWON will be delayed about a week or so. Unavoidable. Here are the orders, anyway, so you'll know what's going on (hint: B L D & G T S). Note: I have press from everyone except Ulanov & Wyman. I do have an item from Nicky I could not fit into last issue, which I'll use. If you send me press right away, Warren, I may be able to get it in. I am also going to print everyone's current address here.
